### Directors

Malcolm Johnston, *Executive Director*

Malcolm is Managing Director and a founder in Angello. He was formerly CEO and then Chairman of Johnston Campbell Ltd. – a specialist financial planning and investment management business. The business manages investment funds of over £300m for high net worth clients.

Malcolm has been in the investment industry for over 25 years, consulting with an investment management business in Singapore and establishing a pioneering investment project in Moldova. In parallel, Malcolm has also worked across Eastern Europe for over 17 years, pioneering and establishing business, social and charitable projects managed by local people in Ukraine, Moldova, Russia, Belarus and Armenia. He has held the role of Regional Director for Eastern Europe with a multinational youth charity and has travelled extensively in the region.

Luca Bosatta, *Director*

Luca Bosatta has 20 years of experience in finance. He is a founding partner and Managing Director of a market-leading risk technology and advisory platform. Luca has a passion for the role business can play in transforming society. On the board of Angello he helped with piloting the model and is Country Coordinator for Georgia and Armenia. He is a non-executive director of ClearlySo (helping social entrepreneurs in the UK raise capital) and he is an executive team member of the Leaders Integrity Foundation (Switzerland).

Nikolaus Hutter, *Non-Executive Director*

Nikolaus has been leading the European growth and development of Tonic since April of 2012. An investment executive and entrepreneur with close to 15 years international experience, Nikolaus also initiated the first capacity building program for social entrepreneurs in Central and Eastern Europe, together with Social Impact International and the HUB Vienna. Prior, he worked 10 years as Venture Capital investor, most recently as Sector Partner Cleantech with CEE investment firm 3TS Capital Partners, and as a Partner with Austrian VC firm Gamma Capital Partners, where he build the Cleantech practice. Nikolaus serves on the board and as an advisor to several organizations in the social entrepreneurship and impact investment space, including the Investment Committee of social VC fund, ennovent, the Advisory Board of the HUB, and the business advisor network of NESsT. Further, he has been lecturing on Social Entrepreneurship since 2008.
